PROFESSIONAL EXPERIENCE

Nomac

Accounting Associate

Riyadh, Saudi Arabia

Aug 2023 – Present

- **Financial Operations:** Aided in improving financial integrity through reconciliations, managing end-to-end invoices exceeding 300,000 SAR daily with a focus on improving timeliness and accuracy, while identifying discrepancies and reporting critical issues to senior management to ensure 100% on time completion.
- **Compliance & Reporting:** Studied and implemented VAT compliance for different offices across MENA/Asia regions, while collaborating with cross-functional teams to maintain adherence to local regulations and GAAP standards. Developed precise financial statements that aided in the audit process and in strategic planning.
- **SAP:** Leveraged SAP to optimize the task completion time while also enhancing data accuracy, managed General and Sub Ledger entries, and supporting the financial reporting process.
- **Client-Centric Communication:** Developed understanding of the Energy sector while cultivating strong relationships with clientele through efficient query resolution and culturally sensitive communication.

Logic

Junior Accountant

Beirut, Lebanon

Mar 2023 – July 2024

- **Invoice Processing:** Lead invoice processing with a count of at minimum 80 invoices daily with 95% accuracy, while ensuring timely payments and maintaining vendor relationships.
- **Financial Reporting & Compliance:** Assisted the accounting team in constructing financial statements (Income statements, Balance sheets) while ensuring compliance with GAAP and providing valuable data that aids in strategic decision-making for projects valued at \$23M.
- **Accounts Receivable Optimization:** Managed end-to-end accounts receivable process for over 100 vendors, while leveraging accounting software to transfer paper books into data on screen that reduced task completion time by 30%, enhancing operational efficiency.
