 - Developed an alternative labor migration policy framework to replace the *Kafala* System in Lebanon, including 11 actionable resolutions and 5 key performance indicators.

EXPERIENCE

ILO's EU-Funded ENABLE Programme – Beirut, Lebanon

Senior Community Mobilizer & Trainer

Present

- Supervise 140 workers on-site, monitoring public works related to urban rehabilitation.
- Facilitate training sessions for groups of 25-30, focusing on six essential skills to enhance job market readiness in Lebanon.

Community Mobilizer

Nov 2024-March 2025

- Executed outreach and recruitment strategies, identifying and onboarding 300+ vulnerable applicants.
- Collected and analyzed field data on 200 beneficiaries using Excel & Kobo, ensuring accurate reporting.
- Implemented conflict-sensitive and culturally appropriate solutions to resolve daily operational challenges on-site.

Dr. Sara Razai, British Institute of International & Comparative Law – Remote

Academic Research Assistant

June 2024-Oct 2024

- Conducted multilingual research and data analysis across 24 academic sources in English, Arabic, and French, supporting the development of a book on judicial roles in the Arab Middle East.
- Developed and executed a research plan, adding two chapters and enhancing five to strengthen the book's analysis.

Middle East Studies Pedagogy Initiative & Knowledge Production Project – Remote

Database Research Assistant

May 2023-Sept 2023

- Reviewed and synthesized 100+ peer-reviewed articles, extracting key insights and trends on Iraq and U.S. relations.
- Coordinated with a diverse research team, providing research support and mentoring two new research assistants.
- Managed and structured a database of 300+ research entries using Zotero and Excel, improving accessibility and accuracy.

Sciences Po Refugee Help & United Against Inhumanity – Menton, France

Volunteer

September 2021-May 2023

- Managed procurement and inventory of weekly food distribution, optimizing budget allocation and resource planning to serve 100-200 beneficiaries at the Franco-Italian border.
- Assisted in designing and conducting surveys and interviews on 877 asylum seekers over three months, contributing to a comprehensive report that informed local partners' aid strategies.
