Objective

An aspiring Full Stack Developer, eager to kick-start my career in a professional environment. With a solid technical foundation and a passion for crafting innovative applications, I am excited about the prospect of joining a dynamic software development team. I am committed to leveraging my skills to make a meaningful impact and contribute to the organization's success.

Skills

- **Programming (and Scripting) Languages** // Java, C, C#, C++, Python, JavaScript, PHP and SQL.
- **Database Management Systems** // MySQL and MongoDB.
- **Frameworks and Libraries** // ReactJs, Laravel, NodeJs, ExpressJs, React Native, P5Js and PhaserJs.
- **Tools and Cloud Services** // GitHub, Netlify, Figma, MySQL, NodeJs, Wireshark, Cisco Packet Tracer and Burp.
- **Theory** // Complexity Analysis, Data Structures (including Trees and Graphs), Algorithms and OOP.
- **Languages** // Arabic (Native), English (Fluent).

Projects

Sep 2024

[iBus](#)

- IoT-based intelligent transportation solution for real-time bus tracking, route optimization, and passenger management.
- **Stacks:** React Native, Laravel, MySQL, ReactJs, Socket.io, Sensors.
- **Main features:** Real-time bus tracking, smart route optimization, passenger load management, smart ticketing and user feedback system.

Jul 2024

[Fireboy Watergirl Clone](#)

- Collaborative two-player 2D arcade game with multiple levels and customizable characters
- **Stacks:** HTML, CSS, JavaScript, Phaser.js, p5.js, Vercel, Git, GitHub.
- **Main features:** Character drawing, character selection, parallax main menu.

Certificates

Jun 2024 - Sep 2024 **Full Stack Web Development Bootcamp**, SE Factory

- Completed an intensive full-stack web development program covering front-end and back-end development, version control, cloud architecture and web application security over 8 weeks of lectures, workshops, and projects. In addition to 4 additional weeks of final project implementation.

Mar 2024

Offensive Cybersecurity Bootcamp, Semicolon Academy

- Completed and attended OCB-051 Offensive Cybersecurity Bootcamp 4 online workshops and 8 hours course provided by Semicolon Academy and the Google Developer Groups in Lebanon

Education

Sep 2021 - Expected Graduation in June 2025

Bachelor of Science in Computer Science, Beirut Arab University, Tripoli, Lebanon
