Lebanon - Beirut # +961 71 631171# [jawadbrahim110@gmail.com](mailto:jawadbrahim110@gmail.com)

## Summary

Highly motivated and results-driven backend engineer with a strong foundation in Python/Flask, cloud technologies, and database management. Seeking a challenging position to leverage my technical expertise, problem-solving abilities, and hands-on experience in software development to contribute to the growth and success of a dynamic organization.

## Technical Skills

- Programming Languages: Python (Flask), JavaScript
- Web Technologies: HTML, CSS, JavaScript
- Databases: PostgreSQL
- Version Control: Git
- Cloud Technologies: AWS Certified Cloud Practitioner
- Data Analysis: Pandas
- Software Design: Experience with modular and scalable system architectures
- Problem-Solving: Strong analytical and troubleshooting skills

## Experience

**Junior Developer** March 2023 to April 2024

**CodnLoc, Ferzol - Zahleh**

- Developed a generative AI bot to answer questions based on specialized content.
- Designed and implemented APIs to manage and serve content for clients, enhancing system scalability and performance.
- Created APIs for a food-related application, streamlining customer interactions and improving user experience.

**Trainee and Junior Developer** November 2021 to November 2022

**Michel Daher Foundation, Ferzol - Zahleh**

- Completed an intensive software development training program with a focus on backend technologies (Python, Flask, PostgreSQL, SQLAlchemy, Git).
- Gained hands-on experience in backend system design, database management, and application deployment.
- Collaborated in a team environment, applying best practices and delivering solutions within deadlines.

## **Achievements & Certifications**

- Selected as one of the top 42 out of 400+ applicants for the *42 Beirut* program, a prestigious coding academy.
- Successfully worked alongside multiple developers, delivering high-quality outputs within deadlines.
- Earned **AWS Certified Cloud Practitioner** certification, demonstrating foundational cloud knowledge.

## **Education**

Masters in Bio-Chemistry,

**Lebanese University, Hadath**
