Objective

Hello, I am Ghida, a senior computer science student with a strong aptitude for coding and problem-solving, experienced in MERN stack development, and eager to leverage my technical skills in innovative projects. I am committed to staying up-to-date with emerging technologies and trends.

Experience

Full-Stack Web Development Intern

Two Of Us L.L.C, Lebanon | July 2024 - December 2024

- Built dynamic and feature-rich **web application** using the **MERN stack**, incorporating React for interactive frontends, Node.js and Express for robust server-side logic, and MongoDB for scalable database management, while enhancing user experiences through responsive designs and optimized backend operations.
- Collaborated with teams to create user-focused projects. Worked together to align on goals, address challenges, and ensure smooth integration of all project components.

Education

Bachelor's Degree in Computer Science Lebanese University, Faculty of Sciences,
Hadath | November 2022 - Present

MERN Stack Web Development Bootcamp

Techarious | 2024

Skills

- **Programming Languages:** C Language | Java | JavaScript | Python
- **Web Development:** HTML | CSS
- **Frameworks/Libraries:** Node.js | Express.js | React.js | Git
- **Databases:** SQL | MongoDB

Soft Skills

- Communication - Teamwork - Problem-Solving - Fast Learning - Time Management - Leadership.

Languages

Arabic Native Speaker | **English** Fluent | **French** Intermediate
