ABOUT ME

Visionary and experienced Senior Graphic Designer with over 8 years in the creative industry, specializing in packaging, branding, and digital media. Known for blending innovation with functionality, and for delivering aesthetically impactful and technically precise design solutions across platforms. Adept at managing cross-functional projects, leading creative direction, and collaborating with multidisciplinary teams to enhance brand visibility and user experience.

EDUCATIONS

Lebanese University, Faculty of Fine Arts and Architecture, Hadath, Beirut.

2015 – 2014

Master 2 degree

Visual communication design and Multimedia
My M2 senior project was Animation based.
The 4-minute animation highlighted how modern Lebanese songs emphasize the singer's appearance over their vocal talent

2014 – 2013

Master 1 degree in Graphic Design

2013 – 2012

License in Graphic Design

My senior project was about the behavior of lebanese people while driving their car.

WORK EXPERIENCE

2023 – Present

SENIOR GRAPHIC DESIGNER AT GANDOUR COMPANY

Develop creative concepts and visuals across packaging, digital, and printed media while ensuring alignment with brand guidelines, including leadership in designing chocolate packaging for flagship brands such as Yamama, Tarboosh, and Unica

Collaborate with marketing, social media, and QA teams to produce compelling digital content and keyline packaging designs.

Manage full packaging design process from concept to print, including color proofing and supplier coordination.

Ensure all designs are industrially executable and maintain high visual standards and technical accuracy.

2022 – Present

FREELANCER PACKAGING DESIGNER AT AANI & DANI CHOCOLATIER / Saudi Arabia

Work closely with design and marketing teams to develop packaging ideas that best suit clients' needs.

Packaging designer responsible for designing effective attractive, and safe packaging for chocolate products.

2021 – 2023

**SENIOR GRAPHIC DESIGNER AT TOP PACK ONE
Cardboard and Corrugated Packaging Company
Bekaa, Taanayel, Industrial Zone.**

Worked on branding, social media visuals, and client-based print design projects, including full packaging development for cardboard and corrugated products across various industries.

Delivered creative solutions for a range of industries including food, retail, and events.

2015 – 2021

**JUNIOR GRAPHIC DESIGNER AT MSAED PRINTING
PRODUCTION / Zahle, Lebanon**

Meeting clients to discuss the business objectives and requirements of their needs.

Producing new ideas and concepts and developing interactive design.

Working with different Organizations located in Bekaa (GVC, UNHCR, LARI, MEDAIR, MSF...) on designing and printing productions
