**Location:** Aramoun, Lebanon

---

## Professional Description

*"Aspiring IT and cybersecurity professional with certifications in Scaling Networks, Routing and Wireless Essentials, CyberOps Associate, and Network Security. Experienced in developing admin consoles using React.js during an internship at Ogero. Currently enhancing cybersecurity expertise through an internship at XpertBot Academy. Skilled in front-end (HTML, CSS, JavaScript) and back-end (PHP, phpMyAdmin) web development. Passionate about ethical hacking and network security."*

---

## Education

### Bachelor's Degree in Information Technology

**Lebanese International University, Lebanon** **Graduation Date:** 22/1/2025

---

## Certifications

- Scaling Networks
  - Routing and Wireless Essentials
  - CyberOps Associate
  - Network Security
  - Introduction to Networks
-

## Internships

### Cybersecurity Internship

**XpertBot Academy** | 8/3/2025 – Present

- Gaining hands-on experience in cybersecurity practices and tools.
- Developing skills in ethical hacking and network defense.

### Mobile Development Internship

**XpertBot Academy** | 8/3/2025 – Present

- Developed cross-platform mobile applications using Flutter.
- Designed and implemented UI/UX for seamless user experiences.
- Integrated APIs and backend services for dynamic app functionality.
- Debugged and optimized performance for better app efficiency.
- Worked with version control systems like Git for collaborative development.

### Web Development Internship

**XpertBot Academy** | 8/3/2025 – Present

- Developed and maintained web applications using PHP, MySQL, and Laragon.
- Designed and optimized database structures for improved performance.
- Implemented front-end and back-end functionalities using modern web technologies.
- Collaborated with a team to debug and enhance existing projects.
- Gained experience in local development environments and version control.

**Ogero** | 14/10/2024 – 9/1/2025

- Developed an admin console using React.js.
- Collaborated with teams to deliver a functional and user-friendly interface.

---

## Skills

- **Networking:** Routing, wireless essentials, network security.
