Nationality: Lebanese

WORK EXPERIENCE

FlexBox AI

City: Dubai | Country: United Arab Emirates

[01/06/2023 – Current] **Web & AI Integration Intern (Remote)**

AI & Data Projects: Led AI workshop development for business applications; performed ML-based data analytics and automation using Python, Power BI, and Excel; visualized insights via WordPress and React.js; built chatbots and interactive learning tools.

EDUCATION AND TRAINING

[09/2023 – Current] **B.Tech in Computer Science**

Antonine University <https://ua.edu.lb/en/home>

Country: Lebanon |

SKILLS

Programming Languages

C++ (Intermediate) | Java (Intermediate) | Python (Intermediate) | Assembly (basic)

Web Development

HTML (Advanced) | CSS (Advanced) | JavaScript (Intermediate) | JavaFx (Intermediate) | Ux / Ui (Intermediate) | WordPress (Intermediate)

Database Management

SQL (Intermediate) | PL/SQL (Intermediate) | NoSQL (basic) | MySQL (Intermediate) | MongoDB (Intermediate) | Database Design (Intermediate)

Microsoft Office

Microsoft Excel | Microsoft Power BI | Microsoft Power Automate | Microsoft Word | Microsoft Powerpoint

PROJECTS

[04/2025 – 05/2025] **Car Rental Web Application**

Developed a responsive car rental website using HTML, CSS, and JavaScript. Implemented local Storage for authentication and CRUD operations for managing car listings and user data.

[04/2025 – 05/2025] **Coffee Shop UX/UI Design**

Designed a three-screen prototype for a coffee shop application using Figma. Created responsive layouts for phone, tablet, and desktop views focusing on user experience and modern design principles.

[12/2024 – 01/2025] **Management Information System**

Developed an e-commerce application using Java and JavaFX, integrated with a MySQL database. Implemented role-based functionalities (admin, client), including CRUD operations and error handling.

[11/2024 – 12/2025] **Healthcare Management System**

Built a C++ application using linked lists to manage healthcare data. Features include adding, updating, reading, and deleting records, with data stored in a CSV file.

[12/2024 – 01/2025] **Database Design**

Designed and implemented a database for a chain management system using MySQL, incorporating multiple relational tables and advanced queries.

LANGUAGE SKILLS

Mother tongue(s): Arabic Other language(s): English , French

CERTIFICATES AND MEMBERSHIPS

[2025 – Current] **IEEE Member**

Fifth IEEE Middle East and North Africa Communications Conference

[20/02/2025 – 22/02/2025] **Certificate of Attendance in MENACOMM 2025**

VOLUNTEERING

[09/2019 – 09/2023] **Scout Member**

Demonstrated, communication, and mentorship skills by successfully managing group projects, serving as a spokesperson for scout initiatives, and guiding junior members in a supportive environment.
