EDUCATION

Antonine University Baabda   Baabda, Lebanon
Bachelor in Computer Science   *November 2023 - Present*

PROFESSIONAL EXPERIENCE

Web Engineer   Remote
LOOP · Full-time   *Sep 2024 – 2025*

- Collaborated with a team to design and develop LOOP's official website, implementing a dynamic and responsive user interface using **HTML, CSS**, and **React.js**.

- Integrated multiple core sections including **Home**, **Events**, **Collaboration**, and more, all connected to a centralized database to ensure real-time data updates and scalability.

- Developed user-facing features and contributed to backend logic for event registration and user collaboration tools, ensuring seamless user experience and performance optimization.

PROJECTS

Face Recognition Check-In System   https://github.com/Rimtar10/face-recognition
Jun 2024 – Aug 2024

Car Rental Website   https://github.com/Rimtar10/rental-car-website
mar 2025 – may 2025

Movie Recommendation System   https://github.com/Rimtar10/movie-recommender-system
Sep 2024

Thousand Lines – Literature Website   https://github.com/Rimtar10/thousand-lines
Aug 2024 – Present

AI Chatbot - Jarvis   https://github.com/Rimtar10/jarvis-2.0
Apr 2025 – jun 2025

CERTIFICATIONS

NVIDIA Deep Learning Institute   In person
Certificate in Fundamentals of Deep Learning   *Apr 2024*

VOLUNTEERING EXPERIENCE

President   AI society – Antonine University
April 2025 – Present

Ambassador   DeveLeb
June 2024 – Present

Ambassador   LOOP
Feb 2025 – Present

Ambassador   Code With Serah
April 2025 – Present

SKILLS

Programming: Python (Pandas, NumPy, Scikit-learn, Matplotlib, PyTorch, TensorFlow, Keras), JavaScript (React.js, Node.js), SQL, NoSQL, Git, GitHub, PL/SQL, Java, C++, JavaFX, C.
Web Tools: HTML, CSS, Canva, Figma, Microsoft Office.
AI/ML: NLP, Generative AI, Prompt Engineering, SVM, Azure.
Workflow Collaboration: Slack.
Soft Skills: Communication, Leadership, Mentoring, Event Management, Time Management, Teamwork.
Languages: Arabic (Native), English (Fluent), French (Fluent).
