SUMMARY

I am a third-year Electromechanical Engineering student at CNAM University in Lebanon, seeking a hands-on internship opportunity to apply my academic knowledge, gain practical experience, and develop my technical and professional skills in a real-world setting.

EDUCATION

- CNAM Liban – Tripoli Branch

Diploma in Electromechanics – 3rd Year [2022 – Present]

Focus on mechanical systems, electrical circuits, and industrial automation.

- Georges Sarraf High School – Tripoli

Lebanese Baccalaureate – General Sciences [Graduated: 2022]

CERTIFICATIONS

Energy Sustainability: Practical Strategies for an Ecological Future : Campus Numérique

Francophone (CNF), Tripoli – Agence universitaire de la Francophonie (AUF), Middle East

Gained insights into practical strategies for achieving energy sustainability and contributing to a more ecological future.

Computer Skills

- AutoCAD: Acquired at university, proficient in creating detailed 2D electrical schematics and wiring diagrams for electrical installations. Passed with distinction.
- SolidWorks: Acquired at university, skilled in 3D modeling and design, with a focus on product development and mechanical engineering applications. Passed with distinction.
