

# Chadi Boudaher

Lebanon, Halba | +961 76 332 016 | chadiboudaher7@gmail.com

## PROFIL

A computer engineering with strong academic achievements. Possess strong leadership, teamwork skills, and communication skills with fluency in Arabic, English, and French. Keen to pursue a career in the field of computer engineering with a particular interest in such as software development.

## EDUCATION

### Lebanese International University

Halba, Lebanon

Bachelor of Science in Computer Engineering

Cumulative GPA: 3.86

- Dean's Honor List: Awarded for achieving exceptional academic performance, Spring 2022 - 2023.
- Dean's Honor List: Recognized for outstanding academic achievement, Fall/Spring 2023 - 2024.
- **Coursework:** Network Communications, Communication Networks Lab, Software Application and Design, Computer Organization and design, Microprocessors and Microcontrollers.

### Halba Public School

Halba, Lebanon

Lebanese Baccalaureate

Result: 16.16

- Attained the highest grade in my high school for the Lebanese Baccalaureate in life science branch.

## PROJECTS

- **Hospital Access Control and Smart Monitoring System:** Developed a secure system using RFID, sensors, and microcontrollers to control hospital access and monitor patient safety, while providing a website for booking appointments. This project will be held in University Exhibition.
- **Car Parking System** - During my second semester, I undertook a team-based project to design and implement an automated Car Parking System. This project aims to optimize space utilization and improve overall efficiency. We utilized Arduino to create this project.

## SKILLS

- Java.
- Python.
- HTML, CSS, JavaScript (NodeJS), PHP.
- VHDL/Verilog
- Linux
- Cisco Packet Tracer.
- Data Structures and Algorithms.
- C/C++.

## LANGUAGES

- Arabic
  - English
  - French
- Native speaker
