

JOSEPH ABOU HAIDAR

Computer Science Student | Full Stack Developer | Java & Web Applications
☎+961 71 104 466 | ✉josephabouhaidar9@gmail.com | LinkedIn: [Joseph Abou Haidar](#)

EDUCATION

CONSERVATOIRE NATIONAL DES ARTS ET METIERS

BAALBEK, LEBANON

Bachelor of Science in Computer Science

10/2022 – 06/2025

CERTIFICATIONS & ONLINE LEARNING

UDEMY – ONLINE COURSES

REMOTE

Git & GitHub Crash Course: Create a Repository from Scratch!

07/2025

- Covered Git fundamentals, version control workflows, and remote repository setup on GitHub.

Mastering React and Node.js Firebase Authentication

07/2025

- Built secure apps using Firebase Auth with React and Node.js, including user login, signup, and role management.

PROJECTS

A TO Z SUPERMARKET

BAALBEK, LEBANON

Website (Completed)

08/2023

- Engineered an online supermarket platform, with a large database. It supports methods such as GET, POST, and DELETE.
- Created about 8 pages, to interact directly with customers like register, login, products (divided by categories), cart (to see products added and calculate the amount), and contact-us for any client's problem and feedback
- Constructed an admin-page to let the admin add, delete, and edit products and customers easily

OMEGA 2024

BAALBEK, LEBANON

Windows application (Completed)

06/2024 – 07/2024

- Implemented this application using Java, that used collections such as List and TreeSet, for managing projects name and total amount, with each task, processes, and resources (human and material resources) and their detailed amount.
- Built a class and use-case diagrams for the project

ONLINE TRAINING CENTER

BAALBEK, LEBANON

Windows application (Completed)

02/2025 – 03/2025

- Integrated user authentication and role-based access for trainers & students.
- Designed a dynamic UI using Swing, and used Observer, MVC, Strategy, State, Visitor and Interpreter patterns.

PROFESSIONAL EXPERIENCE

WEB TUTOR

FREELANCE

Web Teacher

03/2024 – 05/2024

- Taught 15 students how to build a website (front-end and back-end), leading to 80% successfully launching their websites with a completed database in only 3 months.

OTHER EXPERIENCE

ST PAISIOS WORKSHOP

BAALBEK, LEBANON

Business Owner

07/2022 – PRESENT

- Ran this family business, a workshop that makes orthodox icons using wood, canvas and other options. We generate over \$3,000 annually.
