

# SALEH HAMMOUD

## INTERIOR DESIGNER

### OBJECTIVE

I am an enthusiastic and eccentric designer. I have a passion for gaining more experience and knowledge. I am seeking a position that would help me delve more into my career and would help me excel, grow and provide the most value possible.

### EXPERIENCE

#### Interior Design Internship | White Diamond Design

UNITED ARAB EMIRATES (ABU DHABI)

JUNE 2017 - AUGUST 2017

- Attend client meetings.
- Daily site visits and reviews.
- Research and decide on materials and products sourcing.

#### Interior Designer | White Diamond Design

UNITED ARAB EMIRATES (ABU DHABI)

SEPTEMBER 2017 - FEBRUARY 2018

- Worked with a team on two residential projects (spa, juice shop).
- Supervise work progress.
- Daily site visits and reviews.
- Interpret and translate customer needs into rough plans.
- Part of team responsible for designing 3D renders and animations for a designer shop proposal in the new Abu Dhabi airport duty free area.

#### Lead Designer/Foreman | HK Design

LEBANON (SAIDA)

MARCH 2018 - CURRENT

- Part of a team which is responsible for supporting all clients with the required design solutions.
- Participating in project coordination meetings with team members, contractors, and owners.
- Designing inspiring interiors for residential and commercial clients.
- Using CAD and various 2D/3D software to create high end, compelling interiors.
- Coordinating day-to-day site issues related to materials, labor and equipment utilization on residential and commercial projects.
- Selecting interior details, materials, color schemes, furniture, lighting, and space planning.
- Ensuring that the project meets the client's budget and timeframe.
