📍 Beirut, Lebanon

Education

Bachelor in Computer Science
Lebanese University
2023-2025

Master in Mathematics
lebanese University
2020-2021

Bachelor in Mathematics
lebanese University
2016-2019

Skills

- **Programming Languages:** Python, JavaScript, PHP, C#, Dart, C/C++, Java, Prolog, Assembly, MySQL, HTML, CSS, MATLAB
- **Python Libraries:** pandas, NumPy, scikit-learn, Matplotlib, Seaborn, TensorFlow, Keras
- **Web & App Development:** Flutter, REST APIs, Git, SQL

Language

- Arabic
- English

Objective

Recent Computer Science graduate with a Master's in Mathematics, eager to start a career in software development. Passionate about full stack development and data science, I am seeking an internship to apply my programming skills, gain practical experience, and contribute to a dynamic team.

Experience

Math Teacher | Al Mahdi School
2022

Private Math Tutor
2017 – Present

Projects and Learning

- Completed practical machine learning and AI projects during Coursera courses, including image classification, object detection, and face recognition.

- Developed skills in full stack web development through tutorials and personal coding practice.

Courses

- Python For Everybody — Coursera, 2023

- Machine Learning Specialization — Coursera, 2023

- Deep Learning Specialization — Coursera, 2023
