Objective

Motivated and focused Mechanical Engineering student seeking an internship or training opportunity to gain hands-on experience and apply technical and teamwork skills in a real-world engineering environment. Eager to contribute to innovative projects and learn from industry professionals.

Education

Beirut Arab University — Bachelor of Science in Mechanical Engineering
Beirut, Lebanon | Expected Graduation: 2027
- Currently in 3rd year of study

Skills

- AutoCAD (2D/Basic 3D Drafting)
 - Microsoft Excel and Word (Data analysis, reporting, documentation)
 - Strong teamwork and communication abilities
 - Motivated, focused, and quick learner
 - Hard-working and detail-oriented
-

Languages

- Arabic – Native
 - English – Fluent
-

Projects & Coursework (Sample for Beginners)

- Participated in university lab projects involving basic **mechanical systems analysis** and **technical drawing**
 - Worked in team-based assignments focusing on **engineering fundamentals, design process**, and **materials testing**
-

Activities & Interests

- Interested in CAD modeling, automotive systems, and energy-efficient design

- Seeking opportunities in mechanical workshops, startups, or industrial firms to expand hands-on experience
