OBJECTIVE

To effectively manage and lead a team of warehouse employees to ensure efficient and safe operations and improve warehouse processes and procedures to optimize productivity and reduce costs.

EDUCATION

2010/01 Lebanese university
2013/09 accounting

As a graduate from Lebanese University's accounting program, my skills include:

- Proficiency in financial analysis and reporting
- Knowledge of accounting principles and standards
- Ability to communicate complex financial information clearly and concisely.

EXPERIENCE

2011/09 Toy market group
2022/03 warehouse assistant manager

As a highly skilled warehouse assistant manager at a Toy market group company, my expertise includes:

- Managing inventory and coordinating shipments efficiently
- Training and supervising a team of warehouse staff
- Maintaining a safe and organized warehouse environment
- Utilizing inventory management software to track and fulfill orders accurately

With my strong attention to detail and ability to work under pressure, I am dedicated to optimizing warehouse operations and delivering exceptional customer service.

2022/03 ABC retail
stock keeper and resciving

As a stock keeper and receiving specialist at ABC retail, I excel in maintaining inventory accuracy and ensuring timely delivery of products. My skills include:

- Proven ability to track and manage inventory levels efficiently.
- Proficient in receiving, inspecting, and stocking merchandise.
- Familiar with inventory management software to streamline processes.
- Strong attention to detail and organization to ensure optimal stock levels.
