Experience

Summer 2019

SIKASOK PARTNERSHIP - Online

Product Designer

At the age of 17, I Collaborated with the socks company SIKASOK, in which I designed two retro themed video game socks that featured a console joystick and the other being a heart resembling the in-game health bar.

June 2022 - August 2022

Zaatar w Zeit | Bliss Street

Runner

worked as a runner for a month and a half, served tables food, made takeaways for customers awaiting their orders, labeled juices, learned opening and closing.

September 2022 - November 2022

POKEMONDO | Online

Graphic Designer

As a Graphic Designer for the online store of Pokemondo, I was able to explore my skills through designing flyers, logos, business cards, posters, website banners, instagram posts, instagram stories, and a catalog. Most of these were advertisements and the others being trivia and fun facts.

December 2023 - February 2024

Smart Source | Tabariz Achrafieh

Sales Agent

Finished my training at Smart Source, was taught about the SEO score, marketing tactics, customer engagement, sales skills and I was also taught how to list customer's businesses on the online yellow pages

May 2024 - September 2024

Pull & Bear | ABC Verdun

Sales Associate

As an employee at Pull & Bear, I applied my sales skills by guiding customers navigate through the latest fashion and helping them choose the attire they desire. My responsibilities were restocking items, tidying the floor display, and attending to customer service
