PROFESSIONAL SUMMARY

CMA-certified Finance Professional with 5+ years of experience in accounting, financial analysis, and procurement. Expertise in VAT compliance (ZATCA), cost optimization, and ERP systems (Navision, Noria). Proven ability to streamline processes, reduce costs, and drive financial decision-making.

Work Experience

- **AlRabya Alkhadra Industrial Co.** **Purchasing and Accounting Manager** **Aug 2022 – Present**

o Accounting & Financial Management

- Oversee all accounting operations, including accounts payable AP, accounts receivable AR, general ledger GL, and ensure compliance with regulatory standards (e.g, VAT submission to ZATCA).
- Evaluates business operations, trends, costs, revenues, and financial obligations to accurately represent financial standing.
- Provide financial analysis and support to general management to assist in decision-making.
- Develop, maintain, and analyze budgets, prepare periodic reports comparing budgeted costs vs. actual costs, and provide actionable insights.
- Developed and executed budgeting frameworks, analyzed variances, and provided actionable insights to align financial performance with organizational goals.
- Conducted comprehensive financial analysis (P&L, ROI, cost-revenue ratios) to guide allocation and long-term forecasting.
- Optimized working capital by managing accounts receivable turnover and streamlining accounts receivable processes.
- Ensure timely completion of monthly and annual financial closes.
- Oversee and assist the accounting team in achieving performance goals based on key performance indicators.
- Developed financial models to assess pricing strategies and investment scenarios, supporting revenue growth.
- Allocate costs and assess profitability for each product line and business unit.

o Supply Chain & Procurement Leadership

- Responsible for full-cycle inventory management.
- Led end-to-end supply chain operation (Demand forecasting, warehouse efficiency, S&OP).
- Negotiated with more than 30+ suppliers successfully.

- Assessed vendor performance on delivery timelines and quality compliance, and kept an error-tracking system to help with process improvement.
- Managed end-to-end supplier timeline for 30+ vendors, “achieving 95% on-time project delivery”.
- Developed demand planning and the bill of materials (BOM) cost models to drive procurement decisions.

- **BH “related to SABTA for investment”** **Accountant & Operation** **April 2019 – Jul 2021**
 - Managed full-cycle accounting, including AP/AR and financial reporting.
 - Prepared a monthly financial report for the Chief Financial Officer (CFO).
 - Responsible for processing payments upon receipt of requests that include complete documentation.
 - Delivered monthly financial reports to senior management, enabling data-driven decisions
 - Conducted research and analysis of accounting data, as well as preparing reports.
- **Sidani & Co “CPA”** **External Audit** **Dec 2018 – Mar 2019**
 - Conducting research and analysis of accounting data, as well as preparing reports.
 - Complies with federal, state, and local security regulations; enforces adherence to requirements and advises management on necessary actions.
 - Contributes to team effort by accomplishing related results as needed
