Professional Experience

N-idea, Dekwaneh

Dekwaneh, Beirut, LEBANON
Front-End Developer   January 2022 – Current

- Built mobile-first, responsive layouts using Tailwind CSS utility classes, ensuring consistent design across all screen sizes.
- Customized Tailwind configuration files (`tailwind.config.js`) to define reusable themes, colors, and spacing for consistent branding.
- Developed and maintained web applications using React.js, with a focus on performance and user experience.
- Integrated RESTful APIs to connect frontend components with backend services and display dynamic data.
- Handled global state management using Zustand, ensuring smooth and efficient data flow in applications.
- Worked in an Agile environment, participating in sprint planning, daily stand-ups, and code reviews.
- Built and styled mobile applications with React Native, ensuring compatibility across iOS and Android devices.
- Collaborated with team members to ensure accurate implementation, responsive layout, and visual consistency.

Muzak

Hadath, Beirut, LEBANON
Sales   December 2018 - August 2019

- Serving customers at the sales counter.
- Demonstrating good product knowledge to customers on key promotions and offers.
- Occasionally being responsible for the store's security including being its key holder.
- Making sure that any item which is removed from a display column is replaced immediately after a sale
- Managing cash and payment systems in accordance with company procedures and policies.

Internship

Haceb

Beirut, LEBANON
Software Developer   September 2021 - December 2021

- Configured relationships between system and custom entities in Microsoft Dynamics 365.
- Developed custom workflows and plugins using C#/.NET.
- Customized CRM forms using JavaScript and contributed to deployment activities.
