- React_Js

EDUCATION

BACHELOR OF COMPUTER ENGINEERING

CNAM University

2022 - 2025

BACHELOR SECONDARY

General science
Al IMAM AL-JAWAD

2021

PROFILE

Second-year Computer Engineering student with a passion for problem-solving and a strong foundation in programming, web development, and algorithms. Currently seeking opportunities to gain practical experience and contribute to innovative projects. Proficient in Java and Python, and eager to apply theoretical knowledge in a real-world setting. Actively pursuing internships to kickstart my professional journey in the dynamic field of computer engineering.

TRAINING #HACKEUSES

AUF-SIMPLON

MAY 2023-JUNE 2023 (210 HOURS)

Engaged in a comprehensive training program focused on WordPress skills enhancement, where I delved into the intricacies of the platform. Acquired hands-on experience in configuring, customizing, and optimizing WordPress websites. This immersive training equipped me with valuable insights into web development, enhancing my proficiency in WordPress and expanding my capabilities in the dynamic field of digital technology.
