Address:  
Aatchaneh,  
Main Road,  
Metn, Lebanon

**Personal  
Information:**

- Nationality: Lebanese
- Date of Birth: November 26, 2003

**About:**

Information Technology Management graduate minoring in Data Analytics. Known for pushing boundaries and continuously striving for personal growth, I am driven by the belief that my potential is limitless. Passionate about leveraging technology and data analytics to enhance operational efficiency and drive business success.

**Education:**

- 2006 – 2021, Saint Joseph School – Kornet Chahwan, Lebanon  
Lebanese Baccalaureate (Life Sciences), 2021
- 2021 – 2025, Lebanese American University – Faculty of Business, Blat, Lebanon  
BS – Information Technology Management  
Minor Degree – Data Analytics

**Experience**

- Quality Control Analyst – Ipsos – May 2023 till August 2023  
Managed and controlled several surveys for the company and utilized analytical skills to identify areas of improvement.
- Software Development - SABIS - Internship - August 2024  
I have completed a one-month internship program at Sabis where I learned C# language, Visual Studio and Visual studio Code programs.

**Highlights of  
Qualifications:**

- Ability to learn quickly, exactly follow procedures, and handle a volume of simultaneous tasks.
- Work well under pressure and possess problem solving skills.
- Dedicated professional attitude committed to getting the job done accurately and on time.

**Community &  
Social Activities:**

- Scouts: 2011-present.
  - Leading a troop consisting of 40 individuals to increase social involvement and experience environmental and physical activities. Planning events and camps up to 16 days. Manage the unit's financial and logistics needs. Work on self-development and self-progression of each individual with emphasis on teamwork and leadership skills. (2021-present).
  - Le Manitou 2022 - 2024: Organized and handled a scout's restaurant for the 2022-2024 summer seasons. This included working shifts management, controlling marketing outreach, running operations, inventory and financial management, social media management, meeting customer expectations and more. In addition to opening in events with more than 2,000 daily customers: Vintage – Goodwill Games 8.
- Taking the initiative in several services to help people in need and our own country, in scouts and in the school's community service.
- First aid, CPR and AED training – Lebanese Red Cross 8 hour training session (2020).
- Community Service in CrossTalk NGO where I helped them in accounting tasks and daily activities.
