WORK EXPERIENCE

Blom Bank, Lebanon

Jul 2024-Jun 2025

Head Teller

- Managed cash drawers daily for costumers and automated teller machines (ATM).
- Applied numerical reasoning to calculate costumer fees, interest rates, and payment plans ensuring accuracy and compliance.
- Provided assistance regarding bank account related concerns.

MetaRiba, Lebanon

Sep 2023-Jan 2024

Software Developer Intern

- Transformed Figma designs into stylish frontend code, displaying a mastery of ReactJS fundamentals, and explored server-side rendering (SSR) using NextJS, and integrated those applications with databases and servers (.Net/C#).
- Collaborated closely with designers and backend developers to align frontend behavior with API functionality, ensuring smooth data integration and visual consistency.

Rafik Hariri University Hospital, Lebanon

Jun 2023-Aug 2023

IT Support Intern

- Set up and maintain servers, ensuring optimal performance and reliability for users.
- Created, configured, tested, and managed systems and system management tools to ensure optimal performance.

EDUCATION
