PROFESSIONAL EXPERIENCE

IT Support | DiaDonna – *Beirut, Lebanon*   Oct 2021 – Feb 2023

- Provided technical support, collaborating with designers to create clean interfaces and intuitive user experiences.
- Developed project concepts and maintained optimal workflow
- Assisted senior developers in managing large, complex design projects for corporate clients.

IT Support | Digital Domaine – *Beirut, Lebanon*   Mar 2023 – Jan 2024

- Completed detailed programming and development tasks for front-end public and internal websites, as well as challenging back-end server code.
- Conducted quality assurance tests to identify errors and optimize usability.

PROJECTS

- **Travel Checklist Mobile App**
  Academic Project – Android (Flutter)
  · Developed a mobile app to help users organize travel essentials with customizable checklists.
  · Implemented local storage and notification reminders for packing deadlines.
  · Designed a clean UI for ease of use and accessibility.

- **Watch Companion App**
  Academic Project – (Flutter)
  · Created a lightweight app for smartwatches to track daily habits and reminders.
  · Integrated haptic feedback and voice commands for hands-free interaction.
  · Focused on minimal design and battery efficiency.

- **Mental Health Support Website**
  Academic Project
  · Built a responsive web platform offering mental health resources and anonymous chat support.
  · Used PHP, MySQL, and AJAX for dynamic content and secure user sessions.
  · Designed with accessibility and user privacy in mind.

- **Gym Website & Reservation System**
  Freelance Project
  · Developed a full-featured gym website with class schedules, trainer profiles, and a booking system.
  · Implemented reservation logic using PHP and MySQL, with real-time availability updates.
  · Enhanced user experience with mobile responsiveness and intuitive navigation.

- **Business Consultant Website**
  Freelance Project
  · Designed and deployed a professional website for a consulting firm, showcasing services and client testimonials.
  · Integrated contact forms, blog section, and SEO optimization.
  · Delivered a clean, corporate design tailored to the client's brand identity.
