Master's student in Computer Science at the Lebanese University, currently developing strong capabilities in designing and building user-centric digital interfaces. Throughout my academic journey, I've gained hands-on experience in front-end development using HTML, CSS, JavaScript, and React, while also exploring user research and usability testing to enhance product experience. My technical foundation is reinforced by programming in C++, Python, and Java, allowing me to bridge both design thinking and technological execution.

EDUCATION

Computer science Bachelor
Lebanese university

09/2022 - 06/2025   *Fanar, Lebanon*

Courses

- Mastered modern front-end frameworks and libraries such as React, enhancing dynamic web development capabilities
- Learned algorithms and logical problem-solving methods
- Built responsive, interactive web apps using HTML, CSS, and JavaScript
- Built a solid programming foundation in C++, Python, and Java

Computer Science Master 1
Lebanese University

09/2025 - Present   *Fanar, Lebanon*

Courses

- Built mobile interfaces using Android and Flutter as part of mobile application development
- Studied Machine Learning, including data analysis, model building, and evaluation techniques

WORK EXPERIENCE

Waitress
Bardel Cafe

10/2023 - 06/2024   *Achrafiye, Lebanon*

Achievements/Tasks

- Efficiently managed tables with a friendly demeanor in a high paced dining environment.
- Provided excellent customer service ensuring guests received prompt attention and warm hospitality.

SKILLS

HTML CSS JavaScript Figma Canva React C++ Python Java MySQL Oracle Flutter Android Studio Data Analysis Matlab Assembly Data Structure Data Base Cyber Security Microsoft Office

PERSONAL PROJECTS

Self-taught Figma for web design and completed personal projects to enhance website design skills, focusing on user experience and intuitive interfaces. Some of my projects (08/2024 - Present)

- SkinCare page
- Makeup page
- Ice Cream page
- GymWebsite
- Animation page
- AppDesign page
- Diet page
- juicepage
- Login page
- Traveling agency
