Fifth-year Civil Engineering student at CNAM, with over 3 years of experience in commercial management and coordination between workers and clients. I facilitate and accelerate communication between teams and clients by assigning each worker the appropriate task to ensure smooth progress of the work. Experienced in engineering projects and proficient in software and technical tools related to the field.

EXPERIENCE

ENGINEERING ASSISTANT (OFFICE ROLE)   2024-2025
Dar al binaa , Meryata

Prepares and modifies structural plans and drawings, assists in the analysis and sizing of construction elements (concrete, steel, foundations), verifies compliance with building standards and codes, prepares technical documents and reports, and keeps up to date with construction software and techniques.

ASSISTANT SITE ENGINEER   2021-2024
Horizon Plus . Tripoli

Coordinates teams and guides clients in making project-related decisions. Supervises the execution of works according to plans and specifications, ensures the quality of materials and workmanship, plans and organizes tasks on site, and ensures compliance with safety standards.

SALES MANAGER AND TEAM SUPERVISOR   2018-2020
Nofaco for marble & granite , Alma   **2024** *temps partiel*

Actively guide clients in shaping their project decisions, translate their needs into actionable tasks, assign them to the right workers, and oversee the execution with precision and organization.
