PROFILE

Dynamic and results-driven professional with over eight years of experience in program management, project implementation, and capacity development. Skilled in leading cross-functional teams, stakeholder engagement, monitoring and evaluation, and delivering high-quality programs. Committed to fostering collaboration, innovation, and sustainable impact.

WORK EXPERIENCE

nafda

March 2025- current

Project Manager

1- Leading planning and implementation of the Ed'Innov project aiming to support school transformation and innovation:

- Oversee educational coaches and delivering capacity-building support.
- Co-design coaching plans and content and fundraising strategies.
- Coordinate with funders, MEHE/CERD, and partners.
- Lead project planning and monitoring, evaluation, and reporting.

2- Leading a national STEAM advocacy and policy development initiative:

- Co-develop the national STEAM vision, framework, and policy recommendations in alignment with MEHE, CERD, and curriculum priorities.
- Coordinate inputs and deliverables from a multidisciplinary team of experts in STEAM, pedagogy, digital education, and citizenship.
- Oversee the design of the STEAM pilot, including objectives, methodology, and assessment tools, and ensure smooth implementation with selected schools.
- Represent the initiative in policy dialogue meetings, technical committees, and partner events to strengthen national buy-in and alignment.

3- Supporting strategic nafda expansion to 300 new schools.

- Lead planning, coordination, and implementation of regional outreach events to present Nafda's model and engage new schools across Lebanon.
- Manage communication with school leaders, collect expressions of interest, and maintain accurate recruitment and follow-up trackers to ensure smooth onboarding.
- Support strategic decision-making by analyzing school profiles, readiness, and regional needs to guide equitable and effective selection of participating schools.

4- Managing the MCN Build Foundation project in Tripoli

- Lead the transformation of a Tripoli-based facility into a fully functional community hub for STEAM education, digital literacy, and active citizenship.
- Oversee project design, construction supervision, stakeholder coordination, and operational planning to ensure timely and high-quality implementation.
- Design comprehensive STEAM and citizenship learning frameworks and activity pathways tailored to community needs.
- Planning and coordinating community engagement activities, outreach initiatives, and educational programming to activate the hub and ensure inclusive participation.

WORK EXPERIENCE

RTI International – QITABI 3 **April 2024– April 2025**

System Strengthening Officer

- Support strengthening CERD and MEHE systems through conducting needs assessments and designing capacity-building strategies.
- Deliver training for school principals and MEHE staff.
- Manage reporting, documentation, communication, and qualitative analysis.
- Lead on all official communications channels.

World Learning – QITABI 2 **April 2023– March 2024**

Program Implementation Officer

- Oversaw end-to-end project procurement workflows, including bid openings, distribution logistics, and comprehensive reporting to ensure transparency and efficiency.
- Developed training resources and led official communications with the Ministry of Education and Higher Education (MEHE) and USAID, fostering alignment and stakeholder engagement.
- Directed large-scale activities across more than 800 schools, managing extensive field teams to guarantee effective implementation and measurable impact.

World Learning – QITABI 2 **November 2020– April 2023**

Learning Facilitator

- Led the implementation of the project across 20 schools, collaborating with principals and teachers to strengthen instructional practices and innovative pedagogical approaches.
- Designed and facilitated training sessions, workshops, and field visits to build capacity and ensure effective adoption of new teaching methodologies.
- Co-created instructional materials and e-learning content.

Teach For Lebanon **June 2016– September 2018**

Fellow Teacher

- Taught English and French to lower elementary grades in underprivileged schools, fostering language acquisition and literacy skills among young learners.
- Initiated and led community projects that promoted equity, inclusion, and active community involvement, creating meaningful change within school communities.
- Empowered students and families by integrating educational initiatives with community engagement, strengthening collaboration between schools and local stakeholders.
