Profile

Fourth-year Software Engineering student with experience in full-stack development. Adaptable, detail-oriented, and eager to contribute to dynamic teams while continuously growing technical expertise. Currently seeking new opportunities where I can contribute, grow, and make a meaningful impact.

Experience

FULL-STACK DEVELOPER | MOUTAHED CO SAL | OCTOBER 2023 – PRESENT

- Built responsive and user-friendly interfaces using React, MUI, HTML, and CSS, ensuring modern design and accessibility.
- Developed and maintained key applications, including a reporting system, cost analysis platform, and analytics dashboard.
- Implemented RESTful APIs, routes, and server-side business logic with Node.js and Express.js.
- Containerized applications and streamlined deployment workflows using Docker, improving scalability and maintainability.
- Collaborated with cross-functional teams to optimize performance, usability, and system reliability.

BACK-END DEVELOPER | XPERTBOT ACADEMY | OCTOBER 2024 – APRIL 2025

- Developed the back-end of *DentiCare*, a dental clinic management system built with Laravel and MySQL.
- Implemented RESTful APIs and token-based authentication to ensure secure access for patients, doctors, and admin users.
- Enabled role-based functionalities including profile management, appointment booking, and medical record tracking

Education

LICENCE GENIE INFORMATIQUE | OCTOBER 2022 – JANUARY 2026 | ISSAE CNAM DU LIBAN

- **Manufacturing Simulation App (Java – NFA035):**
Built a Java app to simulate prototype manufacturing, with modules for managing tasks, resources, and process flow, received a grade of 16.1/20.
- **Hotel Management System (PHP – NFA021):**
Developed a full-stack hotel website with HTML/CSS, PHP, and MySQL, supporting bookings and user authentication, received a grade of 15/20.

Technical Skills

- **Programming Languages:** JavaScript, Java, PHP, Python, HTML, CSS, SQL
- **Front-End Frameworks:** React JS, TypeScript
- **Back-End Frameworks:** Node.js, Express.js, Laravel
- **Software Development Skills:** Git, Github, Docker, Postman

Certificates

- DELF B2 | Institut français du Liban | February 2023
