PROFESSIONAL EXPERIENCE

Lead Full Stack Developer, UI/UX Designer
Mar 2023 – December 2025

In2Info, Beirut, Lebanon

- Led the migration from static HTML/CSS/PHP to scalable MERN and LAMP stacks.
- Rebuilt a legacy CRM in PHP, improving efficiency and user experience.
- Oversaw front-end and back-end teams, coordinated directly with clients, and ensured on-time project delivery.
- Handled entire project lifecycle: from gathering requirements and designing with Figma to full-stack implementation.
- Configured servers, managed domain setups, and handled cPanel/FileZilla deployments.
- Ran end-to-end testing and debugging to ensure smooth releases.
- Mentored junior developers and led code reviews to maintain high-quality standards.

Full Stack Web Developer, UI/UX Designer
Nov 2022 – Jun 2023

Codi, Beirut, Lebanon

- Built and maintained applications using both MERN and LAMP stacks.
- Participated in Agile ceremonies and collaborated in team sprints.
- Designed user interfaces in Figma and translated them into responsive React components.
- Handled REST API integration and server-side logic using Node.js and Laravel.
- Managed Linux-based hosting, including deploying apps and securing endpoints.

EDUCATION

Self-Learning & Ongoing Education
2020 – Present

Since 2020, I've been immersed in continuous learning across diverse platforms including Coursera, Udemy, and live workshops in Lebanon. My self-education journey spans web development, programming fundamentals, and recently game development. I've earned multiple certifications from leading institutions like the University of Michigan and University of London.

Codi Tech, Lebanon
Nov 2022 – Jun 2023

Full Stack Web Development & UI/UX Design

Kilikia School, Aleppo (Syria)
2000 – 2015

Syrian Baccalaureate – Literary Track (الشهادة الثانوية – الفرع الأدبي)
