Beirut, Lebanon

Profile

Highly motivated individual with proven project management, relationship-building, and communication skills. Seeking to apply my diverse background in social work, education, and technology to achieve impactful results.

Education

MBA in General Management **November 2024 – October 2025**
Talal Abu-Ghazaleh Digital Global University, Amman

School of Arts and Sciences- Computer Science **October 2019 – June 2022**
Lebanese International University, Beirut
GPA: 3.54

Professional Experience

Family Guidance Center of Beirut - NISCVT (Beit Atfal Assumoud)
Social Worker **January 2024-August 2025**

Delivered mental health support by conducting needs assessments, leading awareness sessions, and coordinating with specialists.

Produced detailed reports, monitored outcomes, and conducted community field visits to assess and support clients.

Directed administrative and leadership functions, including budgeting, scheduling, and reporting, while serving as Acting Director for 7 months.

IT Grammar
Computer Trainer **September 2023-Present**

Organized and conducted training sessions, ensuring participants received the necessary knowledge and skills.

Evaluated student performance through assessments and provided ongoing feedback to monitor progress.

Instructed users on new technologies, adapting my teaching style to meet their individual learning needs.

Alsama Center
IT Teacher

July 2022-July 2023

Teach computer basics, MO programs, browsing, google workspace.

Prepare lessons plans, create a curriculum and developing it continuously based on students' educational needs.

Worked with an experienced software engineer for implementing curriculum, teaching ICT.

Fraternity Association for Social and Cultural Work
Volunteer as a Coordinator Assistant

April 2022- March 2023

Actively contributed to project success by conducting outreach, administering surveys, collecting data, and engaging youth participants.

Fostered positive participant relations, generated insightful business reports through collaboration, and played a key role in organizing impactful outreach events.

Private Tutoring

September 2019- July 2022

Provided clear instruction, monitored progress, and prepared students for success through tailored one-on-one tutoring and targeted exam preparation.

Fostered student motivation, maintained open communication with parents, and demonstrated commitment to continuous professional development in teaching methodologies.
