Career Objective

Motivated and dedicated Master's student in Computer and Communications Engineering seeking an opportunity to apply technical knowledge and problem-solving skills in a dynamic and innovative environment. Eager to contribute to impactful projects, gain practical industry experience, and further develop expertise in telecommunications, networking, and emerging technologies.

PRACTICAL EXPERIENCE

IT at Islamic schools: (Nov 2023 till now)

- **Technical Troubleshooting:** Diagnosed and resolved hardware, software, and network issues for staff and students.
- **System Maintenance:** Maintained and updated school computer labs, printers, and internet connectivity to ensure smooth daily operations.
- **User Support:** Provided hands-on technical assistance and training to non-technical users (teachers, students, admin staff).
- **Network Management:** Assisted in configuring and monitoring school LANs, Wi-Fi networks, and internet security settings.
- **Software Installation:** Installed and configured educational software, antivirus programs, and operating systems across multiple devices.
- **Data Management:** Supported data backup procedures and basic database handling for academic and administrative purposes.
- **Classroom Tech Integration:** Helped integrate technology into the classroom, including smartboards, projectors, and e-learning platforms.
- **Time Management:** Managed multiple support requests efficiently while maintaining routine IT responsibilities.
- **Team Collaboration:** Worked closely with school administrators and academic staff to align IT support with educational goals.
- **Problem-Solving:** Demonstrated quick thinking and adaptability in high-demand situations requiring immediate technical support.

Education

Bachelor of Science in Computer Engineering (LIU) (2020 till 2024)

Master of Science in CCE (LIU) (2024 till now)

Skills

Computer Science Projects Performing, Web Applications, Arduino Circuits, Packet Tracer, communicating with people.

Languages

Excellent Arabic

Very Good English

Hobbies

Football, Video Games

Nationality

Lebanese American
