Ali Msheik

SOFTWARE DEVELOPER

+961 81 642 419 | ali.msheik.developer@gmail.com
Lebanon-Beirut.

PROFILE

I'm a driven developer with a strong focus on writing clean, efficient code that performs flawlessly. Turning ideas into functional, user-friendly software is my passion, and I always aim to create intuitive experiences that resonate with users. Continuously evolving in my craft, I strive to design innovative solutions that make a meaningful impact and stand out in the ever-evolving tech landscape. My mission is to build software that not only works well but truly enhances the lives of those who use it.

EDUCATION

- **Campus : Lebanese International University.**
- **Degree: Bachelor's Degree in Computer Science**
- **Graduation: 2020 - 2024 | GPA: 2.8**

I focused on developing a strong foundation in software development, and learn independently, honing my skills and becoming self-reliant in tackling complex problems and projects.

WORK EXPERIENCE
