SUMMARY

Motivated software developer with hands-on experience in React.JS, JavaScript and responsive web design. Excited to create engaging, user-friendly interfaces and transform creative designs into functional applications. Committed to learning, collaborating with teams, and growing professionally while making meaningful contributions to innovative projects.

PROFESSIONAL EXPERIENCE

Front-End Development Intern - Computer Club (Arab Open University)   **Aug 2025/Oct 2025**

- Contributed to the development of a React.js web platform for university clubs, allowing students to log in, explore activities, unlock achievements, and redeem rewards.
- Translated Figma designs into fully responsive interfaces using React, Tailwind CSS, JavaScript, HTML, and CSS, ensuring modern, accessible, and visually appealing layouts.
- Worked collaboratively with the front-end team to refine UI components, improve responsiveness, and enhance overall user experience.
- Utilized React hooks, reusable components, and modular design patterns to maintain scalability and clean code structure.
- Managed version control through Git and GitHub, participating in code reviews, feature branches, and pull requests to ensure smooth collaboration.

Full-Stack Development Intern - Integrated Digital Systems (IDS), Beirut   **Jul 2025/Sep 2025**

- Designed and developed web applications using HTML, CSS, JavaScript, PHP, and C# (ASP.NET Core), with dynamic frontends built in React.js and Vue.js.
- Implemented RESTful APIs and backend logic using Laravel, and managed databases with MySQL and SQL Server.
- Followed MVC architecture, applied security and performance optimizations, and collaborated via Git for version control and code reviews.
