Notre Dame des Apôtres, Raouda | 2005-2020

## WORK EXPERIENCE

### Sentient360, Mkalles | August 2024 - Present

Full Stack Developer & QA

- Contributed to the design, development of a comprehensive CRM (ERP system) using PHP (native), HTML, CSS, JavaScript, AJAX, and jQuery for full-stack development.
- Conducted Quality Assurance (QA) testing to ensure the functionality, performance, and reliability of software applications.
- Learned and applied best practices for writing maintainable, efficient, and well-structured code.

### Aspire Software, Sin EL Fil | June 2024 – July 2024

Intern as Web Developer

- Developed a full-stack e-commerce website using React, Node.js, and MongoDB.
- Designed a responsive UI with MaterialUI and managed state with Redux.
- Created and integrated RESTful APIs for seamless frontend-backend communication.
- Utilized React Router DOM for dynamic routing.

### GSC, Baabda | July 2023 – September 2023

Intern as Web Developer

- Built a full-stack e-commerce website using Laravel, Blade, and Eloquent ORM.
- Implemented MVC architecture and UI/UX design principles.
- Practiced Agile project management, specifically Scrum.

### OBSoft by POTECH, Mar-Roukoz | September 2022 - November 2022

Intern as Web Developer

- Developed a Library Book website using Symfony and Doctrine ORM.
- Designed and implemented APIs with PHP, Sonata, and API Platform.
- Gained experience in Twig templating, user authentication, and form handling.

## CERTIFICATES

- CCNA 7: Introduction to network.
- CCNA 7: Scaling and Connecting networks.
- CCNA 7: Routing and switching essential.
- Diplôme d'études en langue française, DELF B2
