

HASSAN ALLOUL

Senior Accountant - Candidate DiplFR

+961 3 382 778 • Hassanalloul529@gmail.com • linkedin.com/in/hassan-alloul-dipfrs • Congo, Africa

Summary

Detail-oriented accountant with 10 years of experience supporting retail and trading groups across Africa and Lebanon. Proficient in ERP implementations, accounts payable, inventory control, intercompany reporting, and tax compliance. Known for streamlining processes, improving cash flow, and guiding cohesive finance teams. Eager to relocate to Lebanon and apply my expertise within a forward-thinking organization while continuing to grow professionally.

Key Achievements

- Implemented new ERP modules and set a structured usage plan for all accounting and inventory processes.
- Recovered US \$200 K by identifying and reversing duplicate supplier payments.
- Collected invoices overdue for more than 2 years, restoring critical cash flow.
- Secured high-value supply deals with top-tier companies, opening new revenue streams.
- Developed a container-tracking solution that cut port discharge time and slashed detention fees.
- Mentored the accounting team, achieving accuracy and on-time reporting.

Experience

- Socimex Group**
Senior Accountant

Kinshasa, DR Congo
03/2023 - Present

 - Executed and reconciled intercompany transactions across subsidiaries, maintaining accurate group balances
 - Supervised the accounting team and reviewed daily journal entries, reconciliations, and month-end close tasks
 - Managed all customs documentation and clearance duties for imported goods, ensuring full compliance with local regulations
 - Oversaw inventory: conducted stock counts, monitored movement, and reconciled discrepancies for multiple retail outlets
 - Monitored bank, supplier, and customer accounts; prepared aging schedules and reduced outstanding balances through streamlined follow-up
 - Controlled petty cash and approved supplier payments, performing daily cash counts
 - Processed payroll, maintained employee records, and prepared all tax filings
 - Introduced a new accounts structure that resolved long-standing overdue payables and improved cash-flow visibility
 - Capitalized inventory-related expenditures, accurately separating capital and operating costs to ensure precise financial reporting
 - Deployed POS systems in five shops with staff training for full adoption
 - Secured strategic deals with top-tier companies, driving business growth
- Solino Limited Corporation**
Accounts Payable & Inventory Specialist

South Lebanon
05/2015 - 03/2023

 - Managed the complete accounts-payable cycle: recorded invoices, matched with orders, processed payments, and maintained supplier ledgers
 - Tracked daily inventory movements, performed regular stock reconciliations, and led quarterly physical counts
 - Monitored stock levels and raised purchase orders to ensure uninterrupted supply
 - Sourced and onboarded new suppliers, widening the vendor base and securing improved contract terms
 - Negotiated pricing, payment schedules, and early-payment discounts with suppliers
 - Entered all financial and inventory data accurately into ERP systems and reported discrepancies to management
 - Oversaw cash-flow planning related to vendor payments, ensuring timely settlements and strong supplier relationships
- Ali Abbas EST**
Junior Accountant

South Lebanon
06/2014 - 03/2015

 - Entered daily financial transactions with high accuracy, maintaining clean accounting records
 - Organized invoice files and supported basic reconciliations for the finance team

Education

- Lebanese International University**
Bachelor of Business Administration (BBA) in Accounting and Finance

2014
- Saksakieh Public School**
Lebanese Baccalaureate in Life Sciences

2010
