C# .NET Desktop Developer @ Lebanese Internal Security Forces |
Certified in Python Programming

Matn District, Mount Lebanon Governorate, Lebanon

Summary

Currently working as a C# .NET Desktop Developer at Lebanese
Internal Security Forces, where I contribute to desktop application
development using C#. Previously, I held roles in digital diffusion and
software engineering, further honing my technical skills and industry
knowledge.

I graduated with a Bachelor of Science in Electrical, Electronics, and
Communications Engineering from Arts, Sciences and Technology
University in Lebanon. My career reflects a continuous commitment
to leveraging programming expertise to develop practical and
impactful solutions.
