| • Fast Learner | • HTML & CSS |
| • Adaptability | • C++ |
| • Communication Skills | |
| • Ability to Work Under Pressure | |
| • Ability to work in a Team | |

Work History

Intern – Full Time – August, 2022.

It was a delightful opportunity, where I got to get introduced to the amazing realm of technology and computing, and throughout my experience with Inkript, the following milestones have been accomplished:

- Had the opportunity to get trained in the development of database for web space and small server applications using Microsoft SQL Server.
- Demonstrated interpersonal skills while working with all levels of staff.
- My internship program is certified from Inkript Technologies.

Education

BEng. Computer Engineering – 2023Beirut Arab
University, Debbieh, Lebanon

Certifications

SAT - Suite of Assessments – 2018

College Boards, United States

**Coursera (Google Cybersecurity
Professional Certificate):**

- Foundations of Cybersecurity
- Play It Safe: Manage Security Risks
- Connect and Protect: Networks and Network Security
- Tools of the Trade: Linux and SQL
- Assets, Threats, and Vulnerabilities
- Sound the Alarm: Detection and Response
- Automate Cybersecurity Tasks with Python

Languages

Arabic – Native

English – Fluent
