Summary

Graphic design certificate holder with freelance experience in visual design, branding, and social media content creation. Currently studying Interior Design at university, with a strong foundation in composition, color theory, and visual storytelling. Seeking an Animator Internship to apply design skills to motion graphics and animation workflows.

Experience

Freelancing | Beirut

Graphic Design | 01/2015 - Present

Designed custom logos, branding assets, and visual identities for multiple clients. Created social media graphics, posts, and promotional visuals tailored to platform requirements. Edited and retouched photos for marketing, branding, and digital use. Collaborated with clients to understand requirements, revise designs, and deliver final assets on time. Managed multiple projects simultaneously while meeting deadlines.
