## WORK EXPERIENCE

**Jul 2024 – Aug 2024**

**Intern** *Brandmint, Beirut*

- Assisted team members with daily tasks and ongoing projects, gaining hands-on experience.
- Supported the development of the following:
  - The Rebranding of *Hayat Doner*, particularly the food packages and sous-plat.
  - The *UAE Cyber Security Council*, designing their oddly specific website icons, in addition to the website and social media posts.
  - *KP Japanese Brasserie*, mainly worked on some social media posts.
  - *Diwan Beirut*, was responsible for working on their food packages and the employee uniforms.

**Jun 2023 – Present**

**Graphic Designer** *Maliks, Mtaileb*

- Collaborating with clients to understand design needs.
- Creating print materials like brochures, flyers, posters, business cards, and banners.
- Managing multiple projects and meeting tight deadlines.
- Conducting final design checks and providing feedback.
- Utilizing Adobe Creative Suite and other softwares.
- Operating laser cutting and engraving machine.

**Mar 2023 – Jun 2023**

**Cashier** *Bartartine, ABC, Dbayeh*

- POS and Cash Handling.
- Preparing different kinds of coffees and drinks.
- Assisting customers and ensuring they have the best experience.

**Feb 2023 – Mar 2023**

**Stock Keeper** *Pull&Bear, le Mall*

- Receiving shipments on a weekly basis.
- Inspecting, storing, and issuing merchandise for use in the shop.
- Packaging online orders.

After honing my technical skills in the Adobe Creative Suite and gaining work experience in the graphic design field particularly in the printing sector, I aim to find opportunities that challenge my creativity in visual communication.
