GitHub: github.com/jessdardas

LinkedIn: linkedin.com/in/jessicadardas-2b8118275

Motivated and detail-oriented Computer Science graduate with hands-on experience in fullstack web development, .NET application design, and tutoring. Completed multiple internships in software and data-driven environments. Passionate about creating efficient, user-focused applications and continuously learning through real-world challenges and technical exploration.

TECHNICAL SKILLS

Languages & Frameworks: C++, C#, PHP, SQL, Python, HTML, CSS, JavaScript, Node.js, .NET

Frameworks & Tools: Express.js, Flask, MongoDB, MySQL, Git/GitHub, Bootstrap, REST APIs, Postman, VS Code, Visual Studio.

Other Skills: Debugging, Testing, MVC Architecture, Database Design, UI/UX Basics

Soft Skills: Communication, Time Management, Teamwork, Problem-Solving, Adaptability, Organization.

EXPERIENCE

MIDIS Group – Lebanon | Data Analysis Intern | November–December 2025

- Conducted data analysis and comparison tasks to support business decision-making.
- Processed and interpreted structured datasets.
- Developed summary reports and visual insights.

EdTechPlus – Lebanon | Computer Science Teacher (Replacement) | October 2025

- Taught Python programming using Sam Block to middle and high school students.
- Substituted for absent teachers to ensure continuity in computer science classes.
- Guided students through practical coding exercises.

GlobeMed – Lebanon | .NET and C# Development Intern | June – July 2025

- Developed and optimized internal .NET applications.
- Worked with C#, SQL, and Visual Studio in an Agile environment.
- Participated in daily standups and code reviews.

Exquitech – Lebanon | Web Development Intern | November 2024 – February 2025

- Contributed to both front-end and back-end web development tasks.
- Gained hands-on experience with HTML, CSS, JavaScript, and Node.js.
- Assisted with responsive UI design,

REST API integration, and debugging. Eduleaders – Jeita, Lebanon | Math and Physics Tutor | October 2022 – May 2024

- Delivered personalized tutoring sessions for middle and high school students.
- Focused on conceptual understanding and problem-solving.

Freelance – Jeita, Lebanon | Private Tutor | Academic Year 2024–2025

- Tutored students in computer science and math subjects.
- Created custom exercises tailored to student needs.

Portemilio – Kaslik, Lebanon | Summer Camp Monitor | Summer 2021

- Supervised and led recreational activities for children.
- Promoted teamwork, safety, and engagement among campers.

PROJECTS

Moodence – Emotion-Based Attendance System

(Python, Flask, JavaScript, HTML/CSS, SQLite, OpenCV, DeepFace):

AI-powered attendance system that recognizes faces and detects emotions in real-time. Includes web interfaces for students, teachers, and admins with analytics for mood vs. grades.

E-Commerce Flutter App

(Flutter, Spring Boot, MySQL): Full-stack e-commerce app with login/registration, product browsing, and admin dashboard for product management and lowstock alerts.

Employee Department Management System

(C#, ASP.NET Core, Entity Framework Core): RESTful Web API managing departments and employees, featuring DTO mapping, database relationships, and Swagger documentation.

Article Manager PHP Project

(PHP, MySQL, Bootstrap): Lightweight CRUD web app for managing articles, built with XAMPP and a responsive Bootstrap interface.

Car Dealership

(University Project) (C++): Console-based inventory management system for adding, removing, and listing cars.

Phishing Website Detection

(Python, Machine Learning (KNN, SVM, Decision Tree)): Machine learning project that classifies URLs as phishing or legitimate with 92.8% accuracy using extracted features from a dataset of 11,000+ samples.

VOLUNTEERING

Mouvement Apostolique Marial – Jeita, Lebanon

Youth Group Leader (Ages 6–9) Lead weekly sessions and activities for children aged 6–9, encouraging participation, teamwork, and moral growth through games and discussions.

Developed leadership and organizational skills in a community setting.

EDUCATION

•**Bachelor of Science in Computer Science** – Notre Dame University (NDU), Lebanon | 2022 – 2025

•**High School Diploma** – Notre Dame De Louaize (NDL), Lebanon | 2022

COURSES & CERTIFICATIONS

- The Complete 100 Days of Code: Full Stack Web Development – Udemy
- C# and .NET Fundamentals – Pluralsight
- Data Science Course – Udemy (In Progress)

LANGUAGES

Arabic – Native | English – Fluent | French – Intermediate
