

Wafika Tarshishi

Junior Software Developer

Address: Beirut, Lebanon | **Phone:** +961 81930697

Email: tarshishiwafika380@gmail.com | **Nationality:** Lebanese

Summary

Computer Science student with hands-on experience in full-stack and mobile frontend development using Python, Java, JavaScript, Dart, React, Flutter, and Laravel. Proven ability to design and implement scalable web and mobile applications, RESTful APIs, and relational databases. Seeking a Junior Software Developer role to contribute clean, efficient code in collaborative Agile environments.

Technical Skills

Programming Languages: Python, Java, JavaScript, Dart, PHP, SQL, C++

Web Development: React, Laravel, HTML5, CSS3, RESTful APIs, Responsive Design

Mobile Development: Flutter, Dart

Databases: SQL, Relational Database Design

Tools & Practices: Git, GitHub, VS Code, OOP, Data Structures, Unit Testing

Relevant Experience

Junior Developer | Academic Projects Database Management System | SQL, Database Design

- Designed and implemented a normalized relational database with 12+ tables to manage 5,000+ records, ensuring data accuracy and integrity
- Wrote 30+ SQL queries using JOINS across multiple tables to retrieve and analyze data efficiently
- Applied primary and foreign keys to enforce referential integrity across related entities

Full-Stack Web Application

- Developed a responsive web applications using React for frontend and Laravel for backend
- Implemented frontend components and dynamic user interfaces
- Built backend logic and database connectivity
- Applied clean code practices and modular design

Mobile Application Development

- Developed 3+ cross-platform mobile applications using Flutter
- Implemented frontend UI screens using Flutter widgets
- Applied structured code organization and reusable components

Object-Oriented Java Applications | Java, OOP, Data Structures

- Developed console-based Java applications using object-oriented programming principles
 - Implemented core data structures and applied basic algorithms for data processing
 - Used file handling for data storage with proper exception handling
-

Education

Bachelor of Science in Computer Science

Al Maaref University — Beirut, Lebanon

Expected Graduation: 2026 | GPA: 3.5/4.0

Certifications & Training

Certificate of Attendance – Inside the Mind of Ethical Hackers

Semicolon Security, Webinar, November 2025

Languages

Arabic: Native | **English:** Fluent
