

RAYANE HAJJAR

FULL-STACK DEVELOPER

Chehime, Lebanon | rayanehajjar@outlook.com | +96171582216

SUMMARY

Full-Stack Developer with 3+ years of hands-on experience delivering scalable, production-ready web applications across Laravel, Node.js, React, and Python ecosystems.

Proven track record working on multiple concurrent projects, including government-related systems, enterprise platforms, AI-integrated services, multi-vendor marketplaces, and high-traffic WordPress solutions. Strong in backend architecture, API design, database modeling, and modern frontend development. Adaptable, reliable, and comfortable in complex, real-world business environments.
