LinkedIn: <https://www.linkedin.com/in/fatima-ghannam/>

PROFILE

Motivated Computer Science student with a strong foundation in programming, databases, and web development. Hands-on experience through academic projects and internship work using Java, SQL, PHP, and Flutter. Passionate about building functional, user-friendly applications and continuously developing technical and professional skills.

TECHNICAL SKILLS

- **Programming:** Java, JavaScript, PHP
 - **Web Development:** HTML, CSS, JavaScript, PHP, MySQL
 - **Databases:** SQL, MySQL
 - **Mobile Development:** Flutter (Frontend and Backend)
 - **Soft Skills:** Communication, Time Management, Teamwork, Problem Solving
-

EXPERIENCE

Flutter Frontend Intern

CAC, Lebanon

December 2025 – January 2026

- Developed and styled UI screens using Flutter and Dart
- Collaborated with a team to build a coffee ordering mobile application
- Implemented responsive layouts and reusable widgets
- Gained hands-on experience in mobile and team-based development

PROJECTS

- **Blood Donation Management System (SQL):**
Designed and implemented a relational database system to manage donors, donations, and records.
- **Object-Oriented Java Application:**
Built a Java application applying OOP principles such as encapsulation, inheritance, and polymorphism.
- **Playlist Management System (Data Structures):**
Developed a system to efficiently manage and organize playlists using data structures.
- **Job Portal Web Application:**
Created a full-stack web application using HTML, CSS, JavaScript, PHP, and MySQL.
- **Coffee Ordering Mobile Application (Flutter):**
Designed and developed a mobile UI for a coffee ordering app using Flutter, focusing on user-friendly interfaces and smooth navigation.
- **BAU Bus Mobile Application (Flutter):**
Yalla BAU is a real-time bus tracking system for BAU students and drivers. It helps users monitor bus locations, routes, and capacity instantly. The app improves transportation efficiency and reduces waiting time.

EDUCATION

Bachelor of Computer Science

Beirut Arab University

2024 – 2027

Cumulative GPA: 3.68

CERTIFICATES

- Flutter Internship – Certificate of Completion
 - IC3 Digital Literacy Certification – Certiport
 - Google Boost Your Productivity with AI – Completion Certificate
 - INJAZ AI-Arab / PMI / PMIEF Virtual Internship – Certificate of Participation
-

LEADERSHIP & ACTIVITIES

- **Aspire Leaders Program (Cohort 5):**
Selected for a competitive global leadership program focused on leadership development, critical thinking, and professional communication.
 - Volunteering Experience (Jul 2023 – Aug 2023)
 - Robotics Competition Participant – CNRS (Apr 2022)
-

Languages

- Arabic: Native
- English: Fluent
