JOE EL ACHI

Computer Science

I am passionate about learning more about my domain and trying to envision how my future will look like. Even though I still have zero experience in this domain, I like to make all sorts of research on it and would love to get some hands-on experience

EXPERIENCE

2021-2022:

Cashier at Charcutier Aoun:

- I worked for half a year as a cashier to acquire money for my college tuition.
 - Provided excellent and reliable work .
-

2022-2024:

SAJ Operator at Saj El Hanoun:

- I was first appointed as a sandwich wrapper but was then promoted to Saj assistant after the owner saw the potential I had.
 - I worked there for over two years but had to leave due to medical problems.
-

2025-2026:

Waiter/Runner at Saub Restaurant.
