

MAJD RAJEH

Software Developer | IT Automation | UX/UI Designer

Beirut, Lebanon | mtrajeh01@gmail.com | +961 81 912 136 | [linkedin.com/in/majd-raje](https://www.linkedin.com/in/majd-raje)

SUMMARY

Results-driven software engineer with experience across full-stack development, web design, and UX/UI, delivering and maintaining production web applications from build to deployment. Strong background in collaborating with teams using Git, debugging and troubleshooting issues, and improving performance and reliability.

WORK EXPERIENCE

Web Developer

Yamm Services, Toronto, Canada

July 2025 – Present

- Developed and maintained responsive websites and handled ongoing updates and fixes
- Troubleshoot issues affecting performance, responsiveness, and reliability.
- Coordinated with stakeholders and documented changes for smoother handover/support.

UX/UI Designer Intern

Access LB Consultancy, Beirut, Lebanon

April 2025 – June 2025

- Designed responsive interfaces using Figma and produced wireframes, user flows, and prototypes.
- Worked with teams to ensure accessibility-friendly layouts and smooth developer handoff.

Full Stack Web Developer Intern

CMDM, Beirut, Lebanon

January 2025 – March 2025

- Built and deployed a full-stack Event Management System.
- Structured database tables for consistency and performance.
- Deployed and tested, troubleshooting bugs and improving stability

Software Developer Intern

XpertBot, Beirut, Lebanon

May 2024 – September 2024

- Developed and improved application features using Flutter (frontend) and Laravel (backend)
- Used Git for version control and team collaboration (branching, pull requests, code reviews)
- Worked on integrating frontend with backend APIs and fixing bugs to improve stability and user experience.

EDUCATION

Bachelor of Computer Science

Notre Dame University - Louaize, Lebanon

Graduated: 2025
