EDUCATION

American University Of Science And Technology	2022 - 2026
BA Graphic design	
Ebadiyeh Official Highschool	2019 - 2022
Life science	

PROFESSIONAL EXPERIENCE

Real Pixel	9/ 2025 - 11/ 2025
Graphic Design Internship	

Completed a graphic design internship where I worked on creating social media posts and stories, assisted with video editing, and contributed to branding proposals through visual research and concept development.

Responsibilities

- Assisted with social media content and followed brand guidelines
- Supported basic video editing and creative tasks
- Conducted research for branding and design concepts

MKS Packaging	6/ 2024 - 4/ 2025
Industrial Designing	

Worked on drawing blowing and injection molds on Solidworks and used Powermill for programming the toolpaths for the CNC machines. In addition, I used Adobe Illustrator and Photoshop for printing.

Responsibilities

- Ensuring the mold designs are functional, manufacturable, and optimized for production.
- Making design modifications based on product requirements or feedback from the production team.
- Responding to comments, messages, and mentions promptly.
- Improving existing designs and machining processes for better performance or efficiency.
