

MOHAMAD HARMOUCH

Tripoli, Lebanon | +961 81020163 | tahaharmouch06@gmail.com

PROFESSIONAL SUMMARY Highly motivated Computer Science Graduate from CNAM University with a strong academic foundation in Software Engineering, data structures, and system-level development. Possesses 2 years of proven experience as a Private Java Instructor, specializing in core programming concepts, Object-Oriented Programming (OOP), and concurrent programming. Adept at problem-solving, code debugging, and simplifying complex technical concepts for learners. Passionate about joining a dynamic tech ecosystem as a Teaching Assistant or Junior Developer.

EDUCATION

- **CNAM University (Conservatoire National des Arts et Métiers)**
 - *Bachelor's Degree in Computer Science* | **Graduated: 2026**
 - *Key Coursework:* Object-Oriented Programming (Java), Advanced Systems, Algorithms, Database Management (PL/SQL).
- **Al-Iman High School**
 - *Lebanese Baccalaureate in General Sciences* | **2022**

WORK EXPERIENCE

- **Private Java Instructor | Self-Employed**
 - *2024 – 2026 (2 Years)*
 - Delivered comprehensive, one-on-one Java programming lessons to university-level students.
 - Covered essential to advanced topics including basic syntax, Object-Oriented Programming (OOP) principles, multi-threading, and network programming (Sockets).
 - Guided students through code architecture design, helping them understand the "why" behind logical structures.
 - Enhanced personal debugging and problem-solving skills by analyzing and fixing diverse coding issues in student projects.
- **Front-End Developer | ProCode**
 - *May 2025 – January 2026*
 - Developed responsive and user-friendly web interfaces utilizing HTML, CSS, and JavaScript.
 - Collaborated with the team to ensure optimal website performance and cross-browser compatibility.
- **Front-End Developer | ProteinFruitPack**
 - *August 2023 – March 2024*
 - Built web layouts and implemented dynamic front-end functionalities to improve user experience.
- **Telecommunications Trainee | Ogero**

- *March 2024 – June 2024*
- Gained practical exposure to network infrastructures, telecommunication systems, and technical troubleshooting.

ACHIEVEMENTS & EXTRACURRICULAR ACTIVITIES

- **Participant**, Regional Hackathon on Sustainability and Economy – *Organized by AUF (Agence Universitaire de la Francophonie)*.
- **Participant**, "Le numérique au service de la société" Workshop – *AUF*.
- **Participant**, "Recherche d'emploi entre les techniques traditionnelles et l'intelligence artificielle" Seminar – *AUF*.
- **Winner/Participant**, Junior Web Competition – *CNAM University*.

TECHNICAL SKILLS

- **Programming Languages:** Java (Advanced), Python, C, PHP, PL/SQL.
- **Web Development:** HTML5, CSS3, JavaScript.
- **Core Competencies:** Code Debugging, System Design Basics, Algorithms, OOP.

LANGUAGES

- **Arabic:** Native
- **English:** Intermediate (Professional working proficiency)
- **French:** Intermediate
