Professional Summary

I am a highly motivated civil engineer seeking opportunities to push my career to new levels. With sufficient experience in site management, strong communication skills, and an unyielding passion for learning new skills, I seek to improve my engineering knowledge while investing my previously acquired expertise.

Experience

Inaq Arabic Music Instruments Manufacturer Deir Qoubel, Lebanon
Jun 2025 - Feb 2026

Product and Marketing Manager

- Conducted quality control inspections on finished products.
- Promoted and sold products through direct market visits.
- Managed procurement of production materials and equipment.
- Oversaw inventory control and stock organization.
- Contributed to product aesthetic and acoustic design improvements.
- Coordinated and dispatched local and international deliveries.
