

MOHAMAD MAAZ

Computer Science Student | Aspiring Software Developer

Beirut, Lebanon | maazmohammad559@gmail.com | +961 70 812 690 | linkedin.com/in/mohammad-maaz-118271319

SUMMARY

Motivated Computer Science student at Arab Open University with hands-on experience across multiple programming languages, databases, and system integration. Combines a strong technical foundation with proven customer-facing communication skills. Seeking an internship or junior developer role to apply real-world programming skills in a professional environment.

KEY ACHIEVEMENTS

- Built a full-stack practice project integrating PHP, MySQL, HTML/CSS and JavaScript — demonstrating end-to-end understanding of web application architecture.
- Independently expanded technical skillset to 8+ programming languages and tools within one academic year, beyond required coursework.
- Applied database design and system integration concepts hands-on, and built projects that connect multiple technologies into working end-to-end systems.

TECHNICAL SKILLS

Languages: Python, Java, C#, C++, JavaScript, PHP, HTML, CSS

Databases: MySQL — database design, queries, relationships, integration

Concepts: OOP, REST logic, system integration, workflow automation, version control

Tools & Platforms: Git, GitHub, Visual Studio Code, Visual Studio, IntelliJ IDEA, CLI

Software: Microsoft Office (Word, Excel, PowerPoint), POS systems

PROJECTS & PORTFOLIO

Python File Automation Script

- Scripted automated file renaming and text extraction using Python, demonstrating file I/O handling, debugging, and scripting logic.

Console List Manager — Java / C#

- Built a command-line application with full add/remove/search functionality, applying OOP principles, data handling, and input validation.

Full-Stack Web Practice Project — PHP, MySQL, JS, HTML/CSS

- Developed a personal project combining front-end (HTML, CSS, JavaScript) with back-end (PHP) and a relational MySQL database, applying integration and workflow concepts.

PROFESSIONAL EXPERIENCE

Retail Sales Associate, Converse — Beirut, City Center

Jul 2025 – Jan 2026

- Resolved customer inquiries with clear, structured communication in a high-traffic retail environment.
- Demonstrated reliability, teamwork, and problem-solving under pressure in a fast-paced team setting.

Sales, Cashier & Customer Service Assistant, Maliks — Beirut, Furn El Chebbak

Jul 2024 – Sep 2024

- Operated POS systems and provided document support, building attention to detail and process adherence.
- Developed strong user-support habits applicable to IT helpdesk and client-facing technical roles.

EDUCATION

Bachelor of Science in Computer Science

Sep 2024 – 2027

Arab Open University, Beirut

- Core coursework: Introduction to Python, Object-Oriented Programming (Java, C#), Linear Algebra, Foundations of Computer Science.
- Self-directed learning beyond curriculum: JavaScript, PHP, HTML/CSS, C++, MySQL, system integration and workflows.

CERTIFICATIONS & LANGUAGES

Certifications: Onboarding Project Lead (2024)

Languages: English (fluent), French (intermediate)

Interests: Software development, system design, learning new technologies, collaborative problem-solving
