## **SUMMARY**

**Ambitious and detail-oriented Computer Science student at Modern University for Business & Science (MUBS) with hands-on experience in software development, algorithms, and system design. Proficient in Python, C#, and web development. Strong problem-solving skills and experience on team projects and internships. Seeking internship to apply and expand technical skills.**

## **EDUCATION**

**Modern University for Business & Science (MUBS), Lebanon**

**Graduation expected May 2026**

## **PROFESSIONAL EXPERIENCE**

**Software Development Intern —  
(Developmint camp)**

- Implemented and tested REST API endpoints using Python (Flask).**

.

## **IT Support Assistant — University Computer Lab**

- Assisted students with software installation and troubleshooting.

- .

### **TECHNICAL SKILLS**

- Programming: Python, C#, JavaScript
- Web: HTML5, CSS3, Node.js, Express, REST APIs
- Databases: MySQL, MongoDB
- Tools: Git, VS Code, Linux, andriod studio
- Other: Data structures & algorithms, OOP, basic networking

### **PERSONAL / ACADEMIC PROJECTS**

#### **Bluetooth-Controlled Home Automation (2023)**

- Built an Android-to-microcontroller control system to switch home appliances via Bluetooth.

#### **Web-based Task Manager (2024)**

- Developed a task manager using Node.js

and MongoDB with authentication and role-based access.

Campus Navigation App (2025, in progress)

- Designing an smart college system using AI

## LANGUAGES

- Arabic — Native
- English — Fluent

## CERTIFICATES & TRAINING

- Develoopmint camp (1 year)
- Coursera certification (IT \_ Cyber\_ AI)
