Profile

Motivated and detail-oriented Computer Science student with a solid foundation in programming, data structures, and problem solving. Strong foundation in programming, data structures, and problem-solving. Passionate about continuous learning and currently expanding knowledge in Artificial Intelligence and Neural Networks through online courses. Known for analytical thinking, adaptability, and the ability to quickly grasp new concepts. Eager to contribute technical skills, problem-solving abilities, and a growth mindset to a dynamic and challenging work environment.

Education

Bachelor of Science in Computer Science, Lebanese University-Faculty of Sciences

2023 – 2026

Nabatieh, Lebanon

Skills

Programming Languages

C, C++, C#, Java, JavaScript, PHP, Flutter, Python

Core Computer Science

- Data Structures
- Algorithms
- Problem Solving
- Object-Oriented Programming (OOP)
- Operating Systems (Fundamentals)

Tools and Version Control

- Git (Basic Knowledge)
- GitHub (Basic Repository Management)

Artificial Intelligence (Foundational)

- Neural Network Fundamentals
- Machine Learning Basics

Languages

Arabic

English
